AVON

CHAIR

DESIGN BY

HENRIK PEDERSEN

PRODUCT NO.

14205-XXYY

The AVON collection was designed with a focus on creating a lounge collection with a very light appearance and a low sleek profile while maintaining a high level of comfort. The simplicity of the frame, where low lines ensure, that the design always appears stylish, with and without cushions – summer and winter. The handle of the cushions is a statement. It also adds to the function of the product, making them easy to grab and store if needed.
