

MATERIAL & MAINTENANCE

MATERIAL

ABS / POLYCARBONATE

Shade: ABS
Diffuser: Polycarbonate (PC)

The lamp is made from a carefully balanced combination of ABS and polycarbonate, chosen for their durability, lightness, and suitability for outdoor living. The ABS shade provides a strong yet refined structure with a smooth, uniform finish. The polycarbonate diffuser ensures a soft and even light distribution while offering lasting resilience against everyday use and changing weather conditions. Together, the materials create a lightweight and durable lamp designed to bring reliable light to outdoor spaces – season after season.

MAINTENANCE
