SUNBRELLA FABRIC

SUNBRELLA fabrics are selected by HOUE for their OEKO-TEX® and GREENGUARD certifications. The fabrics are UV- and weather resistant, water-repellent, stain resistant, and easy to maintain.

SUNBRELLA HERITAGE / SOURCE / SLOW: The fabrics are made of recycled acrylic, acrylic and polyester.

MAINTENANCE

GENERAL TIPS

- Clean stains and spills promptly for easier removal.
- Use a medium to soft brush to remove loose dirt before it becomes embedded.
- Avoid abrasive pads and stiff brushes.
- Do not use harsh detergents.
- Use HOUE Lounge covers to help keep fabric clean and extend its lifespan.

SPOT WASH

- Gently rub any stains with a clean, white cloth wrung out in lukewarm water. A mild solution of water and soap can also be used.
- After applying any liquid, gently press with a dry tea towel to absorb moisture and impurities.
- For the final rinse, use pure lukewarm water without soap and absorb as much moisture as possible, as before.

WASH/CARE

-     
- Ironing reinforces the treatment

STORAGE

- The life expectancy of your cushions will vary depending on weather conditions and usage. HOUE recommends storing the cushions in a well-ventilated, dry location during the winter months or non-use. Or use a HOUE furniture cover for the furniture.
