MATERIAL

YALEES

YALEES fabric is selected by HOUE as the base material for the DRIFT premium lounge due to its performance characteristics. Braided cables provide flexibility, durability, heat dissipation, and design versatility. UV resistance ranges from 2,000 to 30,000 hours. The fabric is fire-retardant, anti-bacterial, and quick-drying.

YALEES fabric are made of 100% polypropylene.
