

# HOUE

**EU ECOLABEL**

At HOUE we are determined to ensure right steps are taken in creating responsible furniture, meaning considering both social and environmental impact in the things we do.

We do work with a systemic perspective, taking into account how things are always connected. Consequently, we base our decisions on facts and thorough documentation. As a natural consequence AVANTI Dining table with thermo ash table top, FALK Chairs, FALK OUTDOOR Chairs and NAMI Chairs has been EU-Ecolabel certified. The EU Ecolabel works to reduce the overall environmental impact from production and consumption. Therefore, the EU Ecolabel evaluates the entire product lifecycle and the environmental problems that arise along the way – for the benefit of the environment, climate, humans and the earth's resources.

EU Ecolabel:  
DK/049/005

## AVANTI DINING TABLE

As a part of living up to EU Ecolabel's criteria regarding consumer information (declaration 10), HOUE has produced this document outlining the relevant consumer information for the AVANTI Dining table.

### 1. Product description

**WOODEN TABLE TOP:** AVANTI Dining table top in Thermo Ash is sourced from European woods that are sustainably managed. The Thermo Ash is thermally treated at a temperature of at least 215°C without the addition of chemical substances using steam to prevent splitting and cracking the wood. This treatment gives the wood its impressive durability and a rich warm appearance which is further enhanced with an oil finish.

**STEEL FRAME:** AVANTI Dining table frame is made from high quality durable steel tubes treated with a rust inhibitor to prevent oxidation. After this, a protective powder coat is applied, which not only enhances the visual appeal of the furniture but also offers an extra layer of defense against corrosive agents that can cause rust or other types of damage. Steel boasts a long lifespan and is also recyclable, which aligns with HOUE's commitment to sustainability.

DESIGNED BY: Henrik Pedersen

### 2. Maintenance

The table can be cleaned with a cloth wrung in warm water. It is recommended to apply oil to the wood at the first signs of weathering using an oil specifically formulated for outdoor wooden furniture.

### 3. Usage

AVANTI is an outdoor Dining table with the possibility to extend to the length you need for an unlimited number of guests.

### 4. Information on glass types

Not relevant.

### 5. Compliance with fire safety

Not relevant.

### 6. Declaration of non-use of biocides

HOUE hereby declares that no biocides are added to the product.

Further HOUE lives up to REACH and the European legislation.

### 7. Compliance with relevant EN standards

The AVANTI Dining table has undergone several tests and has passed the following:

EN 581-1:2017 and EN 581-3:201

Further, HOUE declares that no flame retardants have been added to the product.

### 8. Assembly instruction

The assembly instruction is included with the product.

### 9. Warranty and terms of conditions:

HOUE provides 5 years warranty with the AVANTI Dining table.

For further terms and conditions:

<https://houe.com/Terms>

### 10. Provision of spare parts:

HOUE provides customers with spareparts free of charge within the first 5 years from the delivery date.

Contact information regarding spareparts can be found here: <https://houe.com/Contact>

### 11. Disposal guidance:

To dispose of the AVANTI Dining table, separate the different types of material from each other.

Dispose each of these materials into their corresponding containers.

## FALK CHAIRS

As a part of living up to EU-Ecolabel's criteria regarding consumer information (declaration 10), HOUE has produced this document outlining the relevant consumer information for the FALK Chairs

### 1. Product description

FALK – is a chair made from post-consumer plastic – directly from household plastic trash!

DIMENSIONS: Displayed under each product.

MATERIALS: Base: 4 leg construction or swivel with and without castors. Shell: household plastic trash. Upholstered seat in colored fabric made from 98% recycled post-consumer polyester or 48% New Zealand wool, 41% recycled post-consumer polyester, 9% polyamide, 2% polyester.

DESIGNED BY: Thomas Pedersen

### 2. Polymer types above 100 grams

The only plastic above 100 grams is the FALK shell, weighing: 3134 g (armrest) and 3406 g (low armrest). The recycled household plastic trash is marked with resin identification code "5".

The composition of the shell:  
75% household plastic trash, 20% Glass fiber and 5% color pigment

### 3. Usage

FALK has a clear signature look but isn't overpowering in its appearance. This makes FALK fit equally well in a home, the hospitality market and in an office setting.

### 4. Information on glas types

Not relevant.

### 5. Compliance with fire safety

Not relevant, because no flame retardants have been added.

### 6. Declaration of non-use of biocides

HOUE hereby declares that no biocides are added to the product.

Further HOUE lives up to REACH and the European legislation.

### 7. Compliance with relevant EN standards

The FALK Chairs have undergone several tests and have passed the following:

EN 16139:2013, EN 1022:2005 and EN 16139

Further, HOUE declares that no flame retardants have been added to the product.

### 8. Assembly instruction

The assembly instruction is included with the product.

### 9.. Warranty and terms of conditions:

HOUE provides a 5 year warranty with the FALK Chairs.

For further terms and conditions:

<https://houe.com/Terms>

### 10. Provision of spare parts:

HOUE provides customers with spareparts free of charge within the first 5 years from the delivery date.

Contact information regarding spareparts can be found here: <https://houe.com/Contact>

### 11. Disposal guidance:

To dispose of the FALK chair, screw the base from the shell. If there is a seat, screw this off the shell.

Dispose each of these materials into their corresponding containers.

EU Ecolabel:  
DK/049/005

## FALK OUTDOOR CHAIR

---

As a part of living up to EU-Ecolabel's criteria regarding consumer information (declaration 10), HOUE has produced this document outlining the relevant consumer information for the FALK Outdoor Chair.

### 1. Product description

FALK Outdoor Chair is made from partly recycled plastic and powder coated steel.

DIMENSIONS: Displayed under each product.

MATERIALS: Tube legs in powder coated steel. Seat: Recycled plastic.

DESIGNED BY: Thomas Pedersen

### 2. Polymer types above 100 grams

The only plastic above 100 grams is the FALK Outdoor shell, weighing: 3.059 grams. The recycled plastic is marked with resin identification code "5".

The composition of the shell:  
82-88% post-consumer recycled plastic (household waste), 10% glass fiber, and 2-8 % color pigment with UV protection.

Muted white variant: 70% Post-industrial recycled plastic, 10 % glass fiber, 20% virgin plastic, color pigment and UV protection.

### 3. Usage

The FALK Outdoor Chair brings the original FALK design outdoors, using materials that can withstand the elements. FALK fit equally well for private use, in hospitality and office settings.

### 4. Information on glass types

Not relevant.

### 5. Compliance with fire safety

Not relevant.

### 6. Declaration of non-use of biocides

HOUE lives up to REACH and the European legislation.

### 7. Compliance with relevant EN standards

The FALK Outdoor Chair has undergone several tests and has passed the following:

EN 581-1:2017 and EN 581-2:2015+AC:2016.

Further, HOUE declares that no flame retardants have been added to the product.

### 8. Assembly instruction

The assembly instruction is included with the product.

### 9.. Warranty and terms of conditions:

HOUE provides 5 years warranty with the FALK Outdoor Chair.

For further terms and conditions:

<https://houe.com/Terms>

### 10. Provision of spare parts:

HOUE provides customers with spareparts free of charge within the first 5 years from the delivery date.

Contact information regarding spareparts can be found here: <https://houe.com/Contact>

### 11. Disposal guidance:

To dispose of the FALK chair, screw the base from the shell.

Dispose each of these materials into their corresponding containers.

EU Ecolabel:  
DK/049/005

## NAMI CHAIRS

As a part of living up to EU-Ecolabel's criteria regarding consumer information (declaration 10), HOUE has produced this document outlining the relevant consumer information for the NAMI Chairs

### 1. Product description

NAMI Chair – is a chair made from post-consumer plastic – directly from household trash!

DIMENSIONS: Displayed under each product.

MATERIALS: Base: 4 leg construction in powder coated steel. Shell: household plastic trash.

DESIGNED BY: Hans Thyge & Co

### 2. Polymer types above 100 grams

The only plastic above 100 g is the NAMI shell, weighing: 2189 g. The recycled household plastic trash is marked with resin identification code "5".

The composition of the shell:  
92-98% household plastic trash and 2-8 % color pigment with UV protection.

### 3. Usage

The NAMI Chair designs are based on the forces and lines of nature and find their natural place outdoors. NAMI means wave in Japanese and refers to the organic expression found in these elegant garden chairs.

### 4. Information on glass types

Not relevant.

### 5. Compliance with fire safety

Not relevant.

### 6. Declaration of non-use of biocides

HOUE hereby declares that no biocides are added to the product.

Further HOUE lives up to REACH and the European legislation.

### 7. Compliance with relevant EN standards

The NAMI Chairs have undergone several tests and have passed the following:

EN 581-1:2017 and EN 581-2:2015+AC:2016

Further, HOUE declares that no flame retardants have been added to the product.

### 8. Assembly instruction

The assembly instruction is included with the product.

### 9. Warranty and terms of conditions:

HOUE provides a 5 year warranty with the NAMI Chairs.

For further terms and conditions:

<https://houe.com/Terms>

### 10. Provision of spare parts:

HOUE provides customers with spareparts free of charge within the first 5 years from the delivery date.

Contact information regarding spareparts can be found here: <https://houe.com/Contact>

### 11. Disposal guidance:

To dispose of the NAMI Chair, screw the base from the shell.

Dispose each of these materials into their corresponding containers.
